

We are dedicated to achieving unparalleled success while upholding their core values of sustainability, diversity, and customer satisfaction.

We are an American Company based out of Chicago, IL. We work with local farms in Ecuador to provide the highest quality flower product in our long-lasting roses. Our floral arrangements provide the most presentable delivery for occasions such as Birthdays, Anniversaries, Valentine's Day, Mother's Day or any other special day or event.

We use fresh cut roses from the Rich Lands & Farms of Ecuador which are persevered using our distinct proprietary scientific method, locking in & holding natural moisture & freshness in each flower all year around.

Through long & effortful endeavors and cutting-edge scientific & technological procedures, our Company has aimed to revolutionize the Floral Industry. Our Mission as a Company is to provide our clients with a memorable and indelible product that can be given to a loved one as a sign of Love, Appreciation or Admiration.

# Preserved Roses in Elegant Boxes

Through long and effortful endeavors and cutting edge scientific and technological procedures, has revolutionized the floral industry.

Our main mission as a company is to provide our clients a memorable and indelible product.

## Zero maintenance care

All flowers need plenty of attention and care. Not Premium Roses! We provide you with a maintenance-free product.

## Elegantly Designed & Luxuriously Presented

Ecuadorian Roses rank the largest in size & the highest in quality in the world. We farm it, design it & present it with world class delivery.

## Memorable

Our high quality roses last for more than a year. Making them a meaningful and unforgettable gesture.

## One-year lasting Real flowers

Instead of flowers that have a short life span, purchase ones that stay tender for at-least 365 days!
